The image shows a screenshot of a software dialog box titled "Intranet configuration". The dialog has a blue title bar with a close button (X) in the top right corner. Below the title bar, there are three tabs: "Connection", "Identification" (which is selected and highlighted in blue), and "Communication service". The "Identification" tab contains three input fields: "Intranet club no.:" with the value "9001", "User name:" with a masked field of ten dots, and "Language" with a dropdown menu set to "German". To the right of the main configuration area, there are two buttons: "OK" with a green checkmark icon and "Cancel" with a red X icon.

## Language settings for the Golfsuisse magazine

You have to make the appropriate language settings in PC CADDIE, so that your members receive the Golfsuisse Magazine in the appropriate language. Select **Setup/Intranet-Configuration** and select the language under the tab **Identification**.

The screenshot shows a window titled "Intranet configuration" with a close button (X) in the top right corner. The window has three tabs: "Connection", "Identification" (which is selected and highlighted in blue), and "Communication service". Under the "Identification" tab, there are three main sections:

- Intranet club no.:** A text input field containing the value "9001".
- User name:** A text input field where the characters are masked with black dots.
- Language:** A dropdown menu currently showing "German" as the selected option. A list is open below it, showing "German" and "French".

On the right side of the dialog, there are two buttons: "OK" (with a green checkmark icon) and "Cancel" (with a red X icon).

- No selection is needed if you want to send your members the German-language golf magazines. German is the default setting.
- French-speaking clubs can choose French here here. All members would thus receive the French magazine.
- As an individual service, PC CADDIE offers you the possibility to enter the appropriate language for your foreign-speaking members via the [Additional information](#):

<b>Additional Info</b>	<b>Language</b>
<b>langde</b>	German
<b>langfr</b>	French
<b>langen</b>	English

You must **Re-load all members** after configuring the language, using the tab **Special Functions**.

## Magazine Golfsuisse 2. Address
