

# List of price changes

If you go to **Accounts/Cash report** you find the button **List of price changes**.

Enter the dates for the time period you would like to see all alterations in prices. The selection menu **Customer filter** lets you choose to print out the price alterations for a specific group of people, for instance, women, men, guests, members etc.

After that, click **Print** and you will get the print in the **Standard Layout**.
